

## Occupational Health and Safety

Level 3

### Standards

This SVQ is based on standards developed by the ENTO SSB. ENTO SSB draws its membership from a wide variety of people working in a broad range of occupations within the Environmental Health Sector.

### Structure of the SVQ

The way the SVQ is made up is shown below. The unit title appears in bold and the elements that make up each unit are listed under the unit title.

### Mandatory units

Candidates must complete all of these units:

- H8VP 04      Make Sure Your Own Actions Reduce the Risks to Health and Safety**
